

## *Review report*

To: the directors of Futureal Holding B.V.

### *Introduction*

We have reviewed the accompanying condensed consolidated interim financial information for the six-month period ended 30 June 2022 of Futureal Holding B.V., Amsterdam, which comprises the condensed consolidated statement of financial position as at 30 June 2022, the condensed consolidated profit or loss and other comprehensive income, the condensed consolidated statement of changes in equity, the condensed consolidated statement of cash flows for the period then ended and the selected explanatory notes. The directors are responsible for the preparation and presentation of this condensed consolidated interim financial information in accordance with IAS 34, 'Interim Financial Reporting' as adopted by the European Union. Our responsibility is to express a conclusion on this condensed consolidated interim financial information based on our review.

### *Scope*

We conducted our review in accordance with Dutch law including standard 2410, Review of Interim Financial Information Performed by the Independent Auditor of the entity. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with auditing standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### *Conclusion*

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed consolidated interim financial information for the six-month period ended 30 June 2022 is not prepared, in all material respects, in accordance with IAS 34, 'Interim Financial Reporting' as adopted by the European Union.
