

A Corvin Innovation Campus 1 által megszerzett WELL pontok /

WELL Features of Corvin Innovation Campus 1

A Futureal Group elkötelezett amellett, hogy minden irodaház-projektet a WELL-irányelveknek megfelelően valósítson meg. A környezettudatosság általános megközelítésének részeként a felhasználók egészségét tekintjük az egyik legfontosabb tényezőnek az épületek tervezése során.

The Futureal Group is committed to implementing all future office building projects in accordance with WELL guidelines. As part of a general approach to environmental awareness, the health of the users is considered one of the most important factors in the design of these buildings.

AIR - LEVEGŐ

Feature 01. Air Quality Standards
Feature 02. Smoking Ban
Feature 03. Ventilation Effectiveness
Feature 04. VOC Reduction
Feature 05. Air Filtration
Feature 06. Microbe And Mold Control
Feature 07. Construction Pollution Management
Feature 08. Healthy Entrance
Feature 10. Pesticide Management
Feature 11. Fundamental Material Safety
Feature 12. Moisture Management
Feature 15. Increased Ventilation
Feature 17. Direct Source Ventilation
Feature 20. Outdoor Air Systems
Feature 22. Pest control
Feature 23. Advanced Air Purification
Feature 24. Combustion Minimization
Feature 28. Cleanable Environment

WATER - VÍZ

Feature 30. Fundamental Water Quality
Feature 31. Inorganic Contaminants
Feature 32. Organic Contaminants
Feature 33. Agricultural Contaminants
Feature 34. Public Water Additives
Feature 35. Periodic Water Quality Testing
Feature 37. Drinking Water Promotion

NOURISHMENT - TÁPLÁLKOZÁS

Feature 39. Processed Foods
Feature 40. Food Allergies
Feature 41. Hand Washing
Feature 45. Food Advertising
Feature 51. Food production

LIGHT - MEGVILÁGÍTÁS

Feature 55. Electric Light Glare Control
Feature 56. Solar Glare Control
Feature 61. Right To Light
Feature 62. Daylight Modeling

FITNESS - FITNESS

Feature 64. Interior Fitness Circulation
Feature 66. Structured Fitness Opportunities
Feature 67. Exterior Active Design
Feature 69. Active Transportation Support

COMFORT - KOMFORT

Feature 72. Accessible Design
Feature 74. Exterior Noise Intrusion
Feature 75. Internally Generated Noise
Feature 76. Thermal Comfort
Feature 77. Olfactory Comfort
Feature 83. Radiant Thermal Comfort

MIND - ELME

Feature 84. Health And Wellness Awareness
Feature 85. Integrative Design
Feature 87. Beauty And Design I
Feature 88. Biophilia I - Qualitative
Feature 95. Stress And Addiction Treatment
Feature 99. Beauty And Design II

INNOVATION - INNOVÁCIÓ

Feature 101. Breeam certification
Feature 102. Working with WELL AP
Feature 103. Renovations to areas surrounding
Feature 104. Site Planning and Selection
Feature 105. Additional Water tests
